

# Around the World with KindSoup

Travel the world with KindWorks!  
Nurture yourself, your inner  
traveller, and your community.

Soup is one of the most universal foods; every culture seems to have some kind of delicious, nutritious broth. This year, KindSoup will cook and share soups from different parts of the world.

We will travel each Monday from 5:30-6:30 pm EST, via Zoom. Together, we will make an international soup recipe and share it with neighbors and people in need (adding to the 10,000 quarts that we have shared to date!)

Contact [deb.lang@DoKindWorks.org](mailto:deb.lang@DoKindWorks.org) if you would like to lead such a session and share your culture through soup.
